Highlights

- There are 83 students in Intermediate I Yr and 75 students in Intermediate II Yr which is considered as the "critical mass" as they need more support in order to pursue their higher education. Four Mentors have volunteered their services who meet these students every month and keep an eye on their performance.
- On 17 Sep '17, Prof Amirullah Khan, IAS, Director, Competitive Exam Centre (A Unit of Govt of India) was invited to address the under-graduate students.
- In association with Siasat and Faize Aam Trust, Kapda Bank is continued at Chaderghat and Moula Ali in Hyderabad for collecting and distributing used clothes in a very presentable manner.
- FCRA application was filed with a hope to receive the funds from outside India.

We probably need Rs 52 lakhs to pay the balance of tuition fee and other payments until the end of academic year ie 31 Mar '18. We earnestly request you to participate in our efforts to promote education to attain economical stability in our community. Helping Hands do have an ijaza to receive khums and the contributions are exempted under Income Tax Act, Govt of India.
