

How the number grows!

The year 2013-14

Vision

To create a humane and sustainable society through enriched educational experience, promote self respect and compassion towards others, provide quality of life – and make the process exciting and rewarding.

Mission

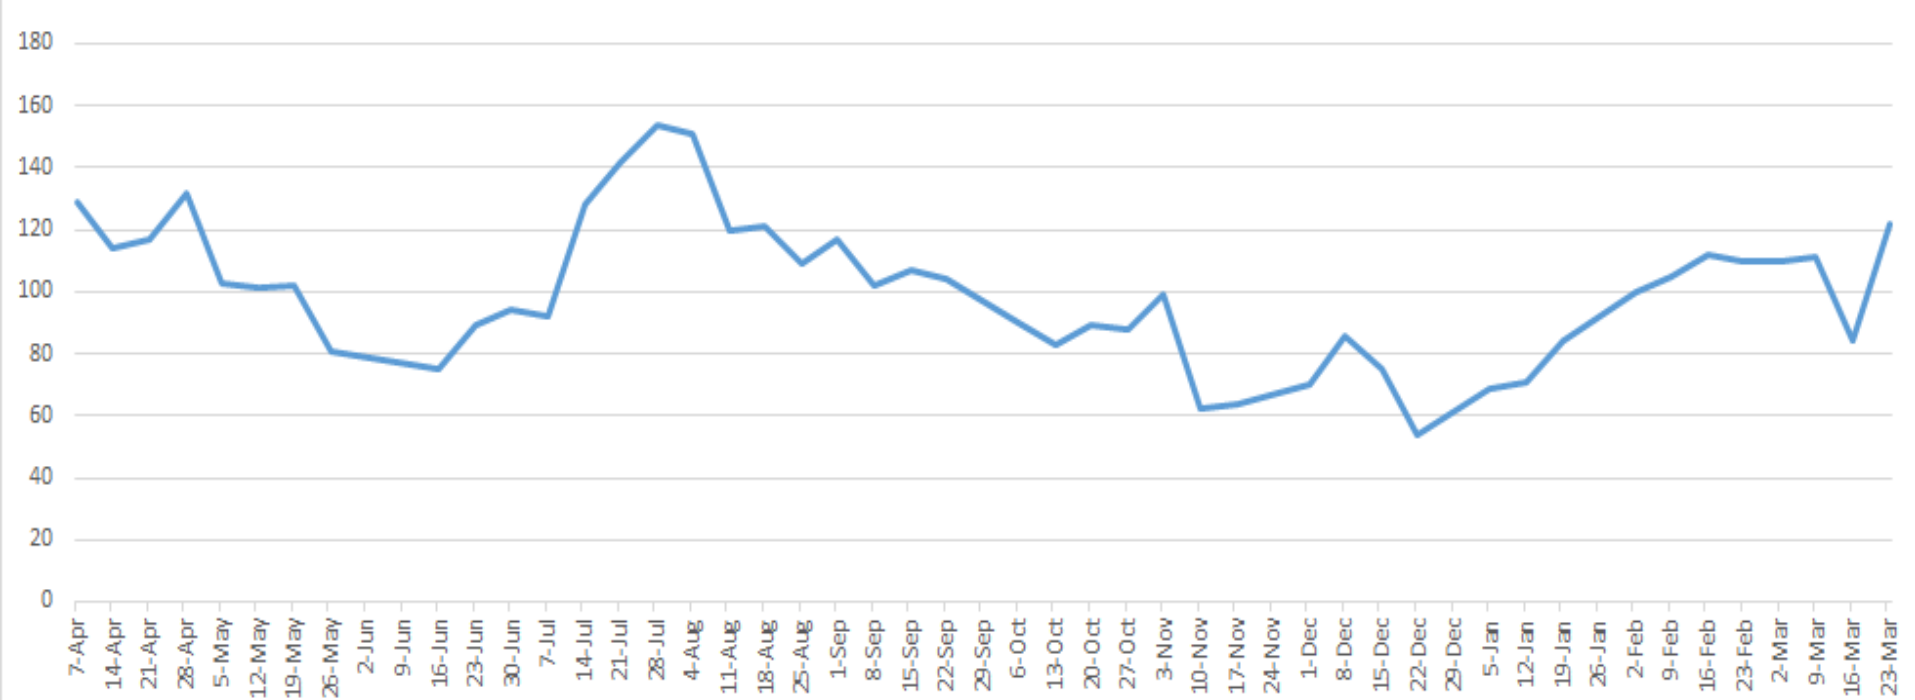

To provide children around us the essentials for a safe, healthy and educated childhood, “whatever it takes”.

To enhance the dignity and quality of life of individuals, families as well as the atmosphere around us by eliminating barriers to opportunity and helping people in need to reach their fullest potential through the power of work.
